Special Agent in Charge,
Los Angeles, California.

Dear Sir:

Reference is made to your telegram, dated October 28, 1977, relating to a post card received by Media Center at Los Angeles, California, on October 27, 1977, urging Carter and Janet to watch out at a hangout to be given in Carter's honor. Your telegram indicating that you would be unable to kill Carter and Janet.

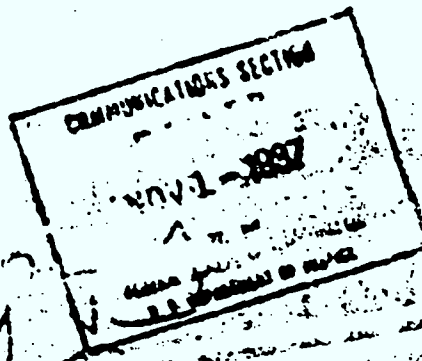

It has been noted that you state you are taking no action in this case. Due to the fact that the sending of this through the United States Mails appears to have constituted a violation of the postal statutes, information is desired as to why the threatening post card was not referred to the postal authorities.

Very truly yours,

John Edgar Hoover,
Director.

Dear Sir: RE: UNKNOWN SUBJECT, alias Pro-Hitler.
Eddie Cantor, Victim. EXTORTION

Reference is made to telegram to the Bureau dated October 26, 1937, advising that Eddie Cantor had received a postcard containing a threat.

On October 28, 1937, Post Office Inspector Chance telephonically advised Special Agent R. F. [redacted] that Eddie Cantor, famous comedian, had received a postal card containing a threat, and that inasmuch as there was no violation over which they had jurisdiction, they thought that the Los Angeles field division might be interested in the matter.

Special Agent R. F. [redacted] thereupon proceeded to the temporary office of the "Eddie Cantor Banquet Reservations" Room 22, Ambassador Hotel, private telephone [redacted] home address [redacted] telephone [redacted] advised that she had been instructed by [redacted] home address [redacted] telephone [redacted] to give a postcard to an Agent of the Department of Justice upon his arrival. [redacted] is in charge of the Eddie Cantor Banquet [redacted] to hold the evening of October 25, 1937. She further advised she was merely taking the place of Miss Ruth Clayton, [redacted] home address 1144 Agnes Avenue, North Hollywood, telephone North Hollywood 4-1441, who was assisting [redacted] in the preparation of the banquet.

The card which [redacted] turned over to Agent [redacted] is an ordinary government postal card, postmarked Los Angeles, California, 5 Arcade Annex, October 22, 1937, 10:30 P.M. On the front of this card is printed in ink - "EYECISER [redacted]". On the back of this card is printed in ink - "EYECISER [redacted]". While on the reverse it also printed [redacted]

Shortly thereafter, Miss Clayton returned to the office and advised that the above mentioned card came through the mail with other letters and telegrams on the morning of October 29, 1937, and that the same had been handled by numerous people around the office.

Miss Clayton was advised that there was no Federal violation over which the Bureau had jurisdiction. She advised that they were to have numerous police guards around the banquet hall that night and that they did not feel anything would develop as a result of this card.

b7C
Miss Clayton advised that the home address of Leslie Cantor is 5532 Sunset Boulevard, Hollywood, California, and that his Secretary is Ben Holzman, telephone Woodbury 01007.

The writer, upon being advised of the above facts by Agent [redacted] telephonically communicated with Miss Ruth Clayton who was again advised that there was no violation over which the Bureau had jurisdiction, but that if they wanted the matter referred to the local police, the same could be done.

Miss Clayton stated she had discussed the matter with Mr. Cantor and that inasmuch as there would be police guards around the banquet hall, they did not deem it advisable to take the matter up with the local police. Miss Clayton was advised that the postal card would be forwarded to the Bureau for retention in its files.

The above mentioned card is being forwarded with copies of this letter to the Bureau, and inasmuch as there is no violation over which this Bureau has jurisdiction, no further investigation is being conducted.

Dear Sir:

Re: Unknown Subject alias

Extortion

Reference is made to your letter dated November 1, 1937, requesting advice as to the reason for not referring the threatening postcard received by Eddie Cantor at Los Angeles, California, on October 27, 1937, to the Postal Authorities for appropriate handling in view of the fact that there was no violation of the Federal Extortion Statute indicated therein.

In this respect your attention is invited to my letter dated October 29, 1937, confirming my telegram dated October 28, 1937, in which you were advised that this matter was originally referred to the Los Angeles Division by Postoffice Inspector C. D. Chance who at the time indicated that same did not constitute any Federal violation which would enable the Postoffice Department to take investigative jurisdiction. Although at the time it was realized that this matter would undoubtedly not be one which would indicate a violation of the Federal Extortion Statute within the investigative jurisdiction of this Bureau, it was believed advisable to obtain possession of the card in the event the writer should in the future direct any follow-up letters of extortion nature to the Victim in this case.

As you were advised in the above mentioned letter, no further investigative action is being taken with regard thereto by this Division, and Miss Ruth Clayton, Secretary to Mr. Cantor, with respect to the banquet which was given at the Ambassador Hotel, was advised as to the Bureau's lack of jurisdiction in this matter.

PERSONAL AND CONFIDENTIAL

Dear Sir:

In confirmation of the telephone information furnished by Special Agent [redacted] of this Division to [redacted] of the Bureau, there are being set forth hereinafter the results of discreet inquiries made by this Division with respect to the Winchell broadcast on Sunday night, November 14, 1937, with regard to the alleged plot to bomb Hollywood, California.

At the Personnel Department of the Fox Film Corporation, Fox Studios, Los Angeles, where Mr. Walter Winchell is presently under contract, it was ascertained that Mr. Winchell was at the present time back in New York City where he could be contacted through the New York Daily Mirror at 235 East 40th Street, New York City.

b7c
In pursuance of an inquiry which was made in the Los Angeles Division, Special Agent [redacted] furnished a memorandum with respect to the substance of the broadcast made by Mr. Winchell over Radio Station KMDA at 6:30 P. M., November 14, 1937. This memorandum indicates that Mr. Winchell in his broadcast stated that the Anti-Defamation Society of Hollywood, California, and in its possession documents tending to show that a group of individuals, whose purposes were contrary to those of the Anti-Defamation Society, had engaged in a plot to bomb the homes of numerous Hollywood residents. It further informed that this Society was in possession of the names of the plotters and have a copy of the original instructions with regard to the proposed bombing. At the conclusion of the broadcast Mr. Winchell stated that this information was to be turned over to the Department of Justice.

RECORDED & INDEXED 9-9702-15
As a result of appropriate direct inquiries made at the Los Angeles Police Department and the [redacted] office, Special Agent [redacted] ascertained that the Anti-Defamation Society is a Jewish organization with its National headquarters at

Chicago, Illinois, and local headquarters on the sixth floor of the Roosevelt Building in Hollywood, California, and that the object of the organization is to strike at the activities of Anti-Jews and Pro-Hitlerites. It was further learned that Rabbi Maguin, whose Synagogue is on Wilshire Boulevard in Los Angeles, is the head of the organization at Los Angeles and that a Mr. Leon Lewis is secretary and a Mr. Charles Katz is an officer thereof. It might be mentioned here that Agent [redacted] is acquainted with [redacted] personally and that he believes, if the Bureau desires such action be taken, he would be able to secure full information with regard to the alleged bombing plot through Rabbi Maguin, it being noted that the Anti-Defamation Society is considered a high-class organization in this vicinity.

However, in view of the instructions received telephonically from [redacted] to the effect that Special Agent [redacted] is presently en route to Los Angeles with regard to Nazi matters, no further action will be taken in this regard unless the Bureau should specifically request that same be done.

MEMORANDUM FOR MR. TAMM.

With reference to the Nazi investigation the Director, also to me about a statement which had been made by Walter Winchell on his Sunday night broadcast concerning the information which the Anti-Defamation League has in its possession.

The Anti-Defamation League in Hollywood, California possesses documents tending to show that a group of individuals, whose purposes were contrary to those of the Anti-Defamation League, had engaged in a plot to bomb the homes of numerous Hollywood residents. The Anti-Defamation League also has in its possession the names of the plotters and a copy of the original instructions with regard to the proposed bombings. Winchell stated that this information would be turned over to the Department of Justice.

This information was also verified upon the Director's instructions by the Los Angeles office and reference was made to the extortion case which had been referred to the Los Angeles office on October 25, 1937 concerning UNKNOWN SUBJECT alias "Pro-Hitlers", EDGIE CANTOR - Victim, Extortion. This extortion case is apparently the background which served as the basis of Walter Winchell's statement over the Sunday night broadcast. The extortion case pertained to a postal card mailed at Los Angeles, California on October 27, 1937 to Louis Cantor, urging him and George Jessel to watch out at the banquet to be given in Cantor's honor.

The Los Angeles office was advised on November 1, 1937, in view of the fact that it had taken no action on the above information to refer the matter to the Postal authorities, inasmuch as the letter was transmitted through the United States Mails. 9-9702-X6

RECORDED & INDEXED
On November 15, 1937, following my conversation with agent [redacted] of the Los Angeles office concerning the Winchell broadcast, the Bureau was advised that the local press carried a headline article indicating Anti-Jewish bomb plots against prominent film producers, actors and attorneys, such as Louis B. Mayer and Edie Cantor, screen

comedian. This information was disclosed by the Los Angeles County District Attorney's office to whom the complaints were referred approximately a month ago. The article further indicates that the District Attorney's office is purportedly conducting an undercover investigation relative to the matter and is maintaining a surveillance of the leaders of the plot.

b7c Agents [redacted] are at the present time in Chicago where they will complete the examination of the records of the Anti-Defamation League. All information is sent to the central headquarters of the Anti-Defamation League which is located in Chicago and Agents [redacted] have been instructed to run out all information which was referred to in Walter Winchell's broadcast and, if available, to obtain the official documents to which Winchell referred.

A. Rosen.

Re: UNKNOWN SUBJECT;

KIDNAPING.

Dear Sir:

There is being furnished herewith an anonymous communication dated at Hollywood, California, March 6, 1939, beginning: "Eilee Cantor:- Since you started...." and signed "Maxi Secret Agent #7, Hollywood, Cal.", which was turned over to a representative of this office by BENJAMIN J. HILMAN, local representative of Cantor.

This communication is quite similar in content to a previous one forwarded to the Bureau from this office in October of 1937. At that time the communication had been received from the local Post Office Inspector inasmuch as it was not a violation of any postal regulations. This communication is being furnished for the completion of the Bureau's files, with the request that it be processed for fingerprints and that the handwriting be checked against the anonymous handwriting file maintained by the Bureau.

This communication is known to have been handled by BENJAMIN HILMAN and his fingerprint impressions, on a civil identification card, are being forwarded with this communication. They should be retained in the Bureau's civil files after their use in this examination.

Re: COMMUNICATIONS TO MR. BEARS
William W. Bears, Complainant
Threats Against the President

In connection with the above entitled case reported to the Seattle Field Division, anonymous communication is being transmitted herewith in cellophane envelope, the communication being addressed to the Chief of Police, Seattle, Washington, mailed in Los Angeles, California on January 8, 1941, and received at 2:30 p.m. on January 11, 1941. The envelope contained the printed words "Death for F.D.B. and the British."

In connection with this case, it is requested that examination be made in order to develop latent fingerprints, that examination of the paper be made with a view to identifying and tracing the material, and also that the handwriting on the envelope be compared with the handwriting in the anonymous communication. This is an effort to connect this case with previous similar material.

In connection with latent finger-print examination, it was determined that the only persons handling this envelope were William W. Bears, C. A. Nelson, and Elma W. Wangel, and copies of their fingerprints are being transmitted herewith for elimination purposes, and it is suggested that after the examination these prints be retained in personnel identification files.

Because no investigation is evident for this office, the Los Angeles Field Division is being designated as the office of origin and it is being requested that copies of the report of this examination be submitted to the Los Angeles Field Division for their information.

Re: Anonymous Communication

Examination requested by: [REDACTED] b7c

Reference: Letter 1/17/41

Examination requested: Document - Fingerprint

Specimens:

- 95-6245-1 Q1 Envelope postmarked "Los Angeles, California, January 2, 1941, 6 P. M."
Q2 Accompanying slip of paper bearing the message "Watch for F.D.K. and the British."

Result of examination.

Specimen Q1 is a white bond finish envelope which measures 3.08 inches by 5.50 inches by .0044 inches, weighs 2.386 grams and contains no watermark. The name and address are written in script with blue ink.

Specimen Q2 is a sheet of white, unruled, bond finish paper which measures 2.95 inches by 3.01 inches by .0031 inches and the apparently comes from what is commonly known as a 3 by 5 pad. This specimen weighs .573 grams and contains no watermark. The message on Q2 has been written with a rubber stamp lettering set.

A report on the fingerprint examination will be submitted separately.

Specimens Q1 and Q2 were searched through the Laboratory's Anonymous Letter File and similarities were noted between the script writing on the envelope with specimens Q2 and Q3 submitted in connection with the case entitled, Unknown Subject, Edith Carter, Vice President, which was previously submitted by the Los Angeles Police Division with their letter dated March 16, 1939. The Bureau file number of this

case is 9-1171. The amount of writing was too limited to permit a definite conclusion.

It was concluded that the lettering set used in preparing specimen Q2 in the instant case is of the kind manufactured by the Dalton Specialty Company, 82 Dalton Street, Elizabeth, New Jersey and is called the "Ben Franklin Rubber Type Set #24x". The rubber type impressions on Q2 in the instant case were not made by the same rubber type set used in making the rubber type impressions on specimen Q3 in Bureau File 93-1171.

Photographic copies of specimens Q1 and Q2 in the instant case and specimens Q2 and Q3 in Bureau File 93-1171 are being transmitted herewith to your office and also to the Los Angeles Field Division.

The original evidence submitted for examination is being retained in the Laboratory.

Re: Anonymous Communication
WILLIAM H. BARKS, Complainant
Threats Against the President

Dear Sir:

Reference is made to Bureau letter dated March 22, 1941, returning the fingerprints of WILLIAM H. BARKS and C. A. HELSON which were previously forwarded the Bureau by the Seattle Office for elimination purposes.

In Bureau letter it was indicated that these prints were being returned to the Seattle Office inasmuch as they did not bear the necessary descriptive data or the names of persons to be notified in case of emergency.

It is noted that under date of March 31, 1941, the Seattle Office directed a letter to the Bureau furnishing the descriptions of the above persons as well as the names of those to be notified in case of emergency, inasmuch as it was realized that this information was not put on the fingerprint cards at the time they were forwarded to the Bureau.

The information desired on the back of these fingerprint cards has now been placed on the back of the cards and they are being returned herewith for filing in the Civil Identification file.

"Los Angeles, Cal.
Dec. 13, 1941.

Dear Sir:-

Our organization is very sorry to hear of your arrest for your brave stand against F.D.R. and his war policies, you must now consider yourself a political prisoner for the duration of this war, and for your own benefit the less you say from now on the better it will be for you, you did your patriotic duty to try to save our country from entering a disastrous war, now sit back and relax and we will continue the fight where you left off, we have been organizing secretly for a long time and are pretty well armed and prepared for action to rid our country of F.D.R. and his clique once and for all. We admit the Japs did give us quite a surprise at Pearl Harbor, but that surprise is nothing to the surprise we have in store,
